Nancy Stoner, our Assistant Administrator, and then on to our Administrator. As soon as the package moves to Nancy Stoner, I will let you know. I will also let you know when it moves to the Administrator's office.

Thanks,

What is the next level of signatures after Peter Gravatt?

Hi Kevin,

I am presenting the rule package to approve North Dakota's Class VI primacy application to Peter Grevatt (Office Director) tomorrow afternoon. After that, I hope to move the rule package to the next level of signatures. So far, Wyoming is the only state actively seeking Class VI primacy and plans to submit a primacy application by the end of the year. Other states have expressed interest in applying for Class VI primacy but have not submitted any applications or regulations for review.

Thanks,

Lisa

Lisa and Craig,

I hope you both are doing well. I have a regulatory meeting next week and I am hoping to have a update prepared as I present on North Dakota's Class VI primacy application. I am also interested to know what States or if any new States have approached EPA about applying for primacy.

Thanks
